FOR SUCCESSFUL INTEGRATION  
OF MIGRANTS AND REFUGEES

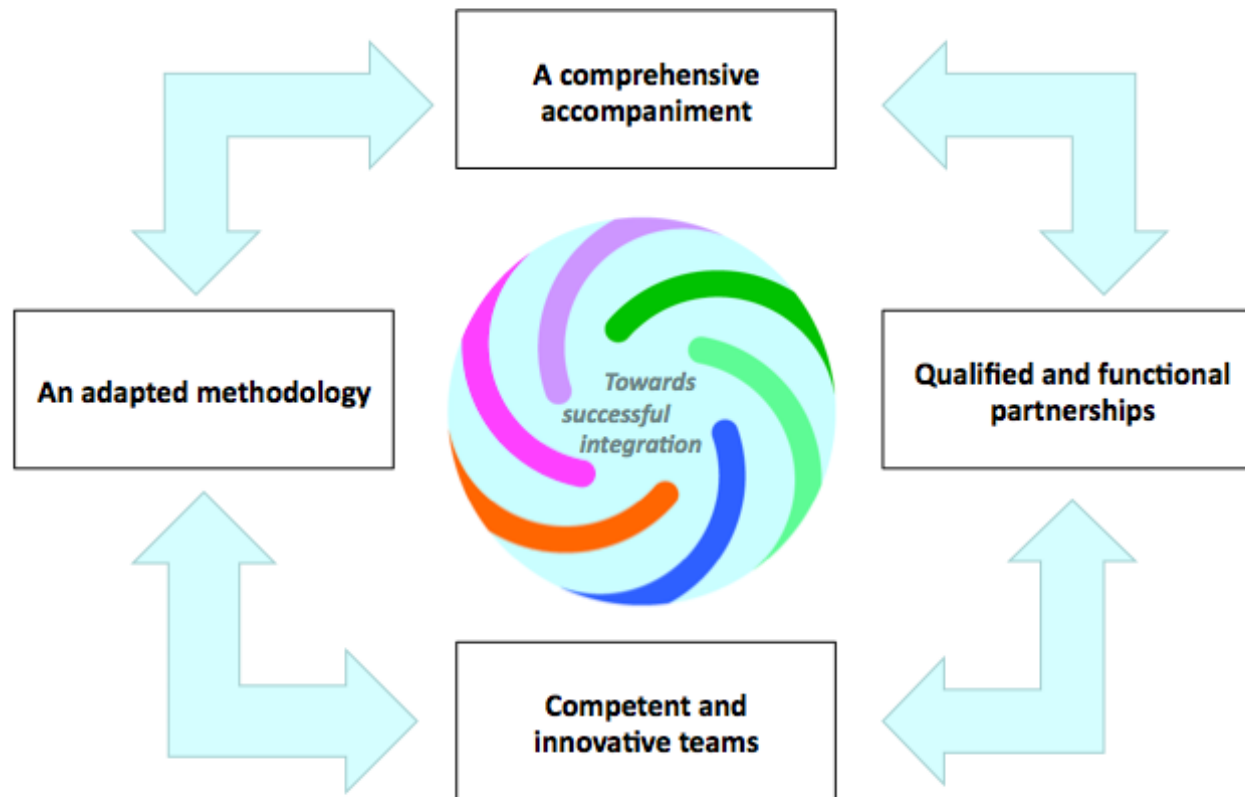

Welcome in the module

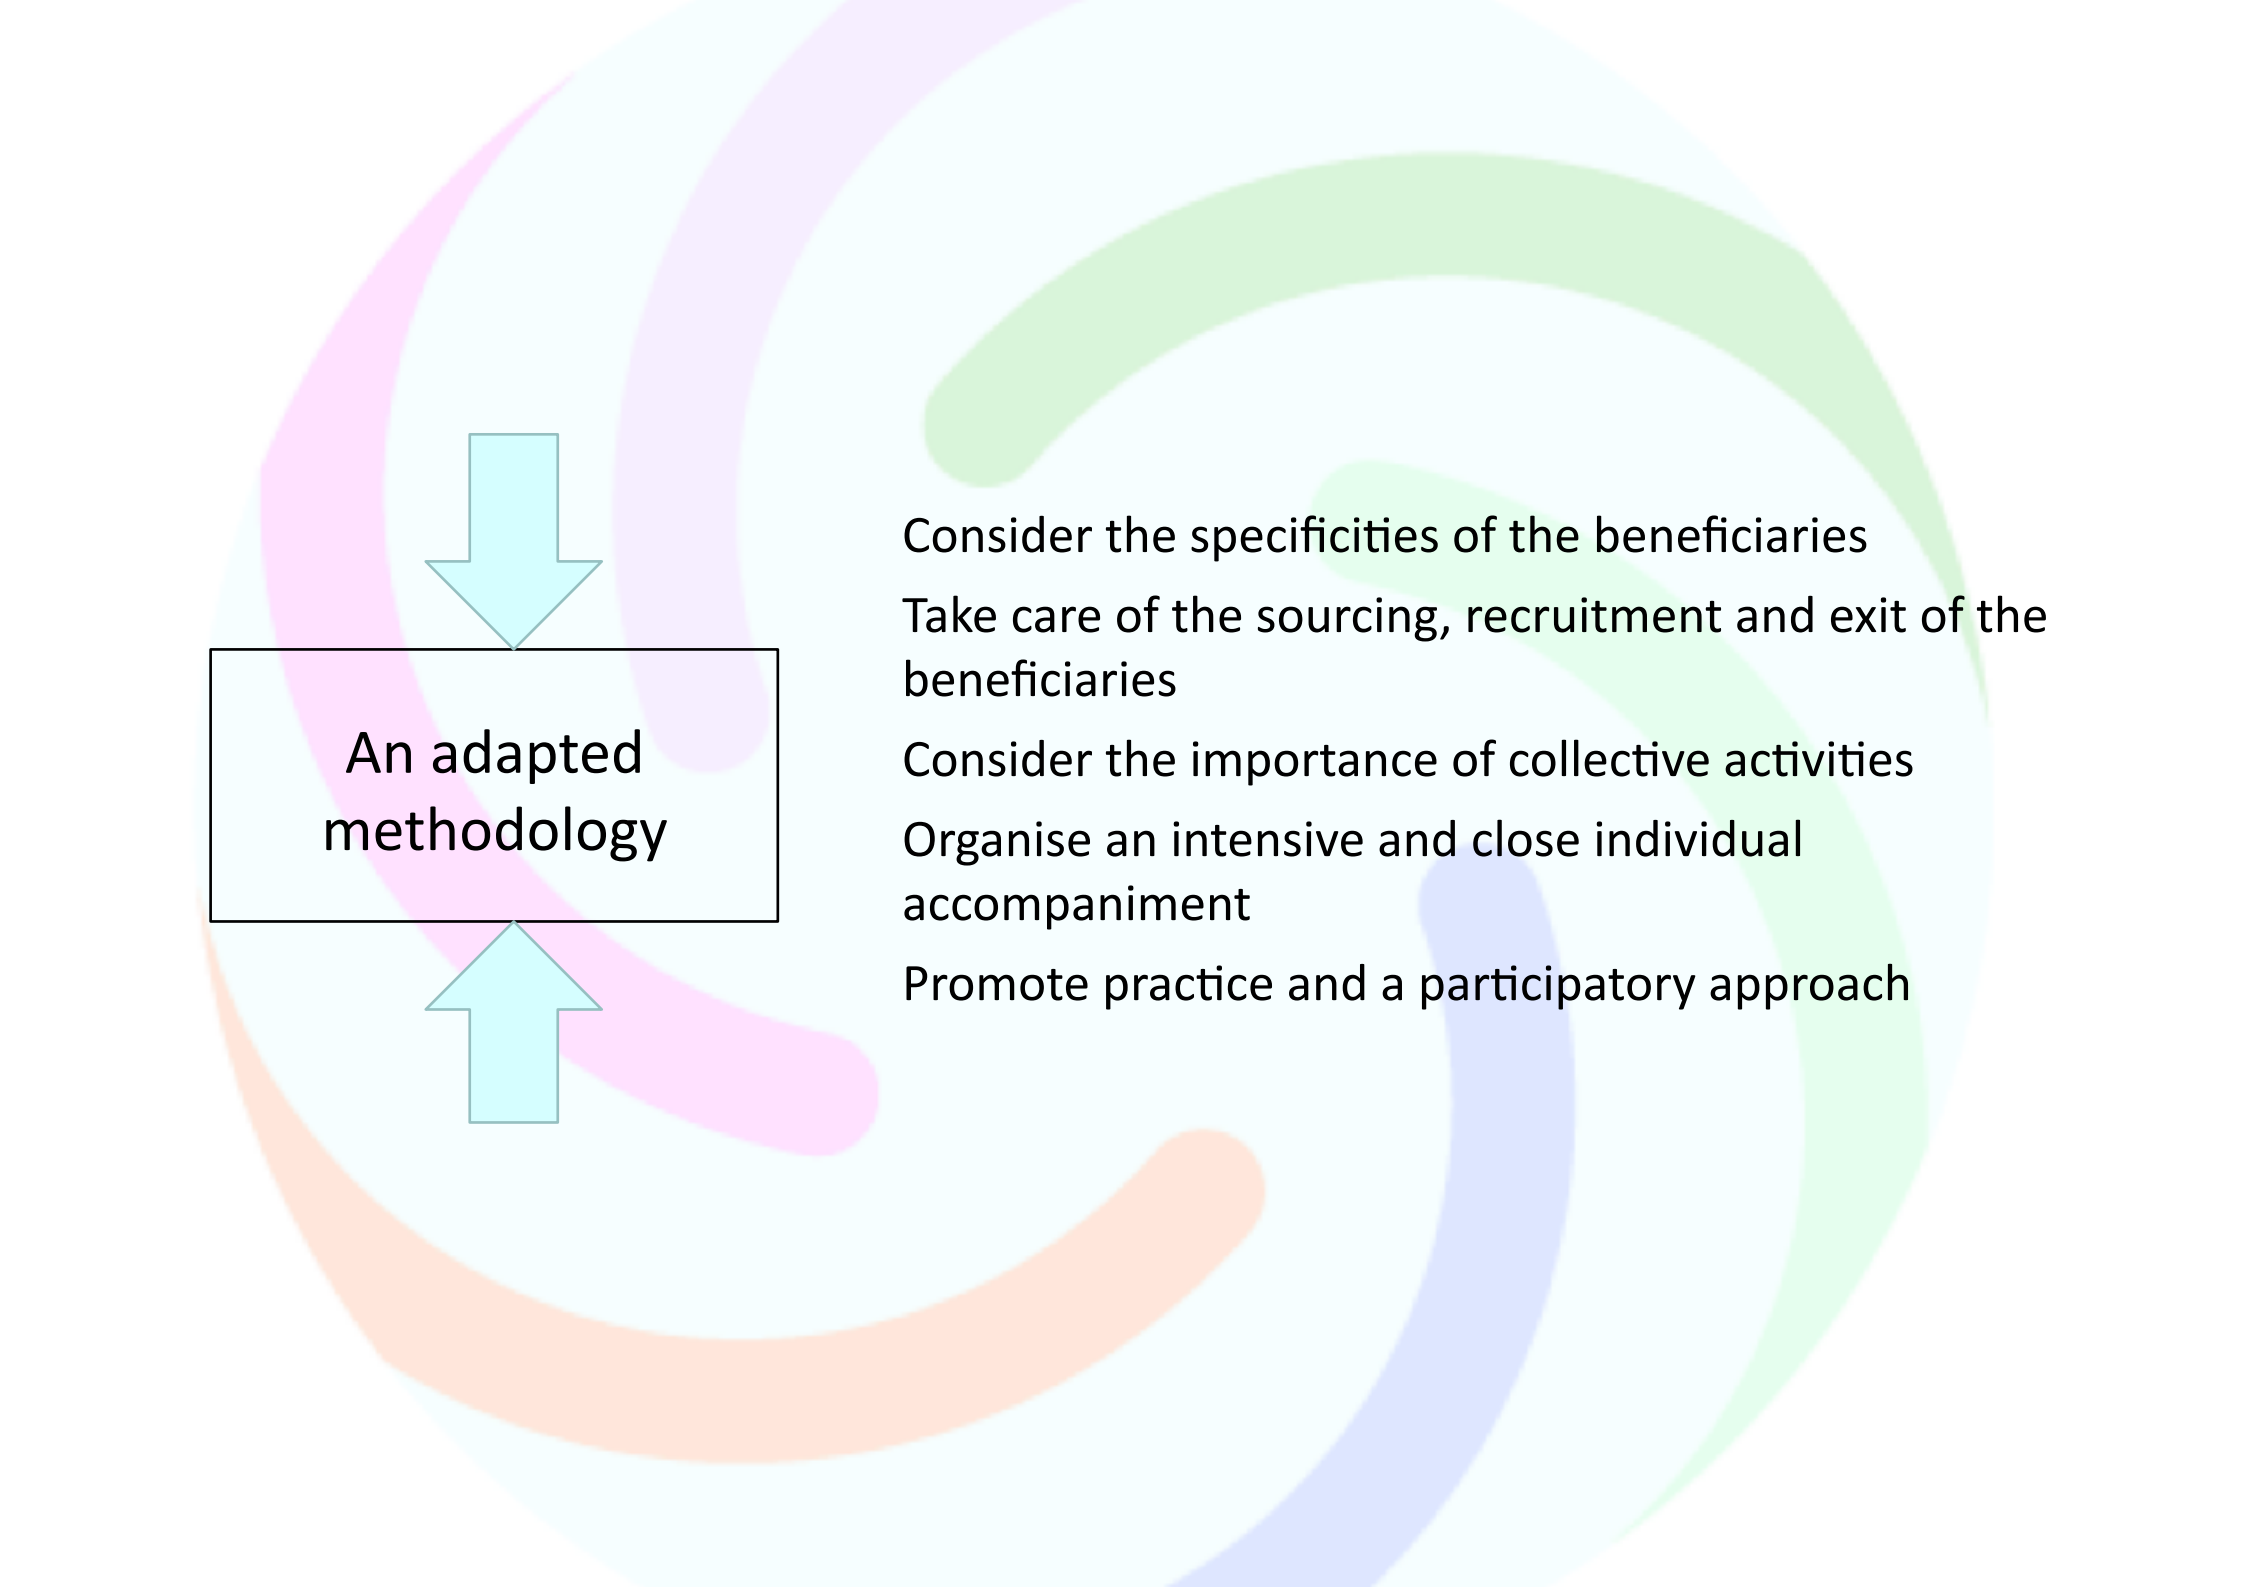

**ACCOMPANIMENT**

Cofinancé par le  
programme Erasmus+  
de l'Union européenne

## The PROFINT model as reference

An adapted  
methodology

- Consider the specificities of the beneficiaries
- Take care of the sourcing, recruitment and exit of the beneficiaries
- Consider the importance of collective activities
- Organise an intensive and close individual accompaniment
- Promote practice and a participatory approach

## Targeted competences

- To be able to plan, structure and implement relevant accompaniment measures
- To be able to monitor and evaluate related processes (learning processes of the beneficiaries included)
- To be able to adapt to critical situations
- To be able to work in partnership with other actors and stakeholders
- To be able to adjust the accompaniment strategy to the gained experience

# A session in two phases

## Part 1 – A focus group

The case « **Dinner experience** »

to identify areas for improvement in your practices and your accompaniment device, as part of your organization

## Part 2 – A project work

A tool to **plan and/or evaluate** accompaniment activities that take in account different recommendations of the model regarding methodology.
