

Profint

EUROPEAN PROFESSIONAL TEAMS
FOR SUCCESSFUL INTEGRATION
OF MIGRANTS AND REFUGEES

Welcome to the module

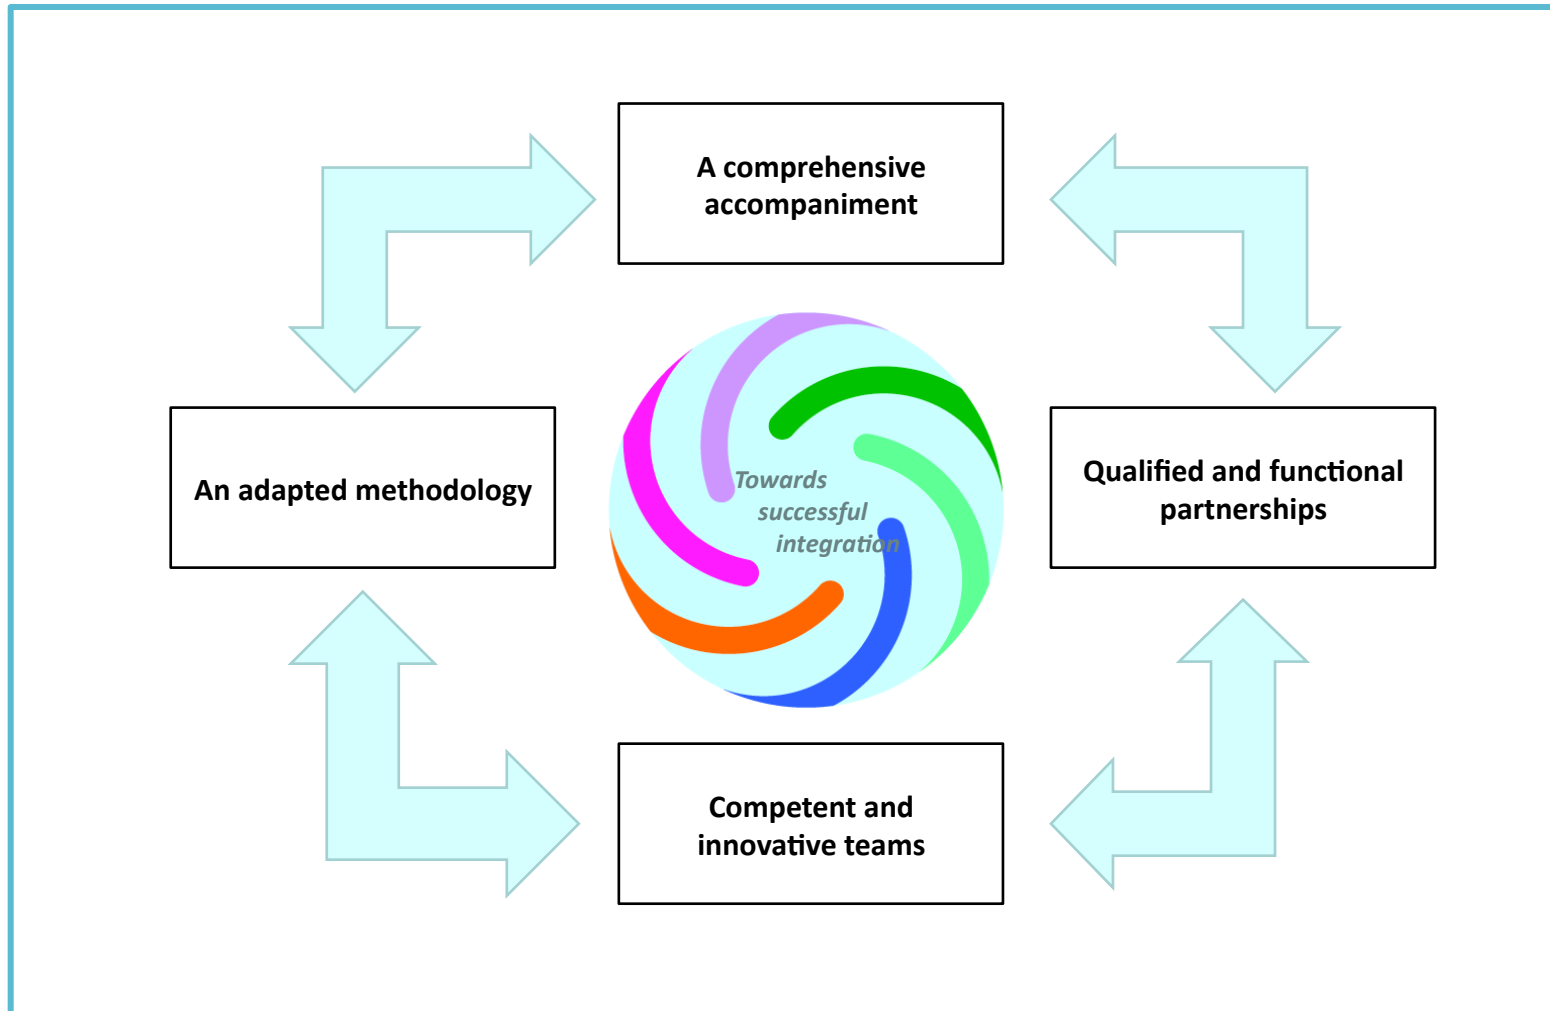

COMMUNICATION

Cofinancé par le
programme Erasmus+
de l'Union européenne

A transversal competence area

COMMUNICATION

Inform *the internal stakeholders* of the device

Inform your *potential and effective partners*

Inform *the territorial stakeholders of the integration of refugees and migrants*

Conceive an information *adapted to migrants and refugees* considered as potential beneficiaries of the device.

Targeted competences

- To be able to talk to different target groups
- To be able to communicate the strategy and the activities of the organization
- To be able to boost the creativity of beneficiaries and the involvement of the partners

A session in two phases

A focus group

*On several cases and practices to be discussed **from the communication point of view***

A work in project mode

*A tool to **inform different targets** on the accompaniment device, its objectives and the attended impacts of their contribution*
